On September 3, 2009 Arizona Corporation Commission, Utilities Division Staff ("Staff") filed a response to West Village Water Company ("Company" or "West Village") docketed ADEQ Water System Evaluation ("Report") stating that the Report did not provide Staff the necessary information to evaluate the Company's financing application.

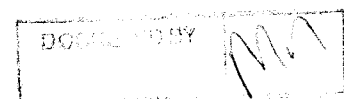

On September 14, 2009, by procedural order, the Company was ordered to provide Staff the necessary additional information and the time clock was suspended until such information was provided. Staff was also ordered to immediately notify the Commission when Staff's review of the application is complete.
